Special Guest

My name is **Jadwiga (Isia) Śmieszalska**, I'm a musician and tutor of physical and mental preparation for musical practice.

I specialize in prevention of musicians' health and solution of problems associated with musical practice.

By employing modern methods of instrumental and vocal training, specialised exercises, therapeutic massage, elements of somatic education and coaching, I'm helping musicians in:

- prevention of professional affections faster recovery
- optimization of playing technique at the instrument, respecting the body's bio-mechanics
- physical and mental preparation for competitions, exams and tours.
